TEACHING EXPERIENCE

^GTraditional in-person “ground” course ^OOnline course

I have taught 9 different courses at ASU, 8 of which I developed as new courses as part of building the new suite of Law and Psychology programs at ASU. I teach across the curriculum: graduate and undergraduate, in-person and online, small and large, and core as well as specialty courses. My student evaluations are consistently excellent. I’ve received numerous teaching awards, have been invited to present in faculty teaching showcases, and have mentored my students to varied successful outcomes. New courses I developed for ASU are marked with “G” for traditional in-person ground courses and “O” for online courses.
